Subject: Wages not paid, compensations  
 and other emoluments.  
 A Complaint Against Bujagali HPP.  
 - Uganda.

In reference to these

attachments from 0001-0021 in this  
 booklet, I would like to draw your  
 attention to the fact that whoever has  
 been handling this case has left  
 it hanging without a timely resolution.  
 Communications have ceased, directors  
 of Boschcon have been cleared but the  
 workers were left in a bracket.

I definitely suspect a trivial  
 situation of corruption, bribery and mala-  
 administration in this project to make this  
 case stale the way it is today.

I however concur with the  
 World Bank's mandate to fight poverty  
 with its sister problem of underdevelopment  
 and I hope these negotiations will yield  
 fruit for these poverty stricken Ugandans  
 whose wages are nowhere to be seen.

(iii)  
With thanks, yours faithfully
